For Immediate Release

November 28, 2007

Special Gifts For Those With Special Diets

(Moorestown, NJ) Gifts of food and food baskets are always welcomed by families in need, but for those in need with dietary restrictions, holiday meals can be especially difficult to prepare. Typical donations of canned goods and non-perishable food items may not be appropriate for people with special dietary needs, such as diabetics, those with specific food allergies, or those who have difficulty chewing and swallowing.

In order to help patients with special dietary concerns, Moorestown Visiting Nurses & Hospice is seeking donations of supermarket and grocery store gift cards. Donated cards will be distributed to families in need throughout the local area, so that healthy, diet-appropriate food items may be purchased for the holiday season.

Tax-deductible donations of supermarket gift cards may be made by calling Beth Coyle, (856) 552-1300 extension 2201. Gift cards may also be mailed directly to: Moorestown Visiting Nurses & Hospice, Attention: Special Meals, 300 Harper Drive, Moorestown, NJ 08057.

Founded in 1904, Moorestown Visiting Nurses & Hospice is a non-profit home and community based healthcare provider serving families in Burlington, Camden and Gloucester counties.

A Holiday Break For Caregivers

(Moorestown, NJ) This holiday season, Moorestown Visiting Nurses & Hospice is seeking a very special donation. The donation is the gift of time, giving a much-needed break to family members who are responsible for the daily care of hospice and other home-bound patients.

Moorestown Visiting Nurses & Hospice is seeking community members willing to donate their time to visit patients in their home for a few hours during the holiday season and in the New Year, giving caregivers a much-needed break. “Visiting Volunteers” spend their time reading to patients, helping to write cards and letters, or simply acting as a non-judgmental listener and friend.

Training is provided to all volunteers prior to their first home visit. To volunteer to visit a home-bound patient in your local community, please call the volunteer coordinator, Moorestown Visiting Nurses & Hospice, (856) 552-1300, extension 2181. Information may be found online at www.moorestownvna.org.
