Moorestown Visiting Nurses & Hospice Volunteer Completes Camp Firefly Remembrance Quilt

Volunteer Alice Tarzy devoted countless hours toward the creation of this Camp Firefly Remembrance Quilt. Held annually by Moorestown Visiting Nurses & Hospice, Camp Firefly provides a special place for bereaved children to share feelings, to make new friends, and to find relief from grief.

Alice Tarzy (left,) of Medford, NJ and Moorestown Visiting Nurses & Hospice Volunteer Manager Dana Mondri display the recently completed Camp Firefly Remembrance Quilt. Children who were coping with grief following the death of a loved one created the artwork seen on the 42 white squares sewn into the quilt. Each square represents the memory of a lost family member or friend.

Bereaved children at Camp Firefly 2008 work on artwork squares in memory of their special lost loved one. The artwork squares were sewn into a recently completed Camp Firefly Remembrance Quilt. The quilt is to be displayed at the home office of Moorestown Visiting Nurses & Hospice.
